

Hot Blast

Surface Cleaning

"Hot Water Blasting at its Best!"

Hot Blast specializes in cleaning commercial and residential properties in San Antonio and South Texas. We have a fleet of high performance equipment that heats water to 210° to *Hot Blast* gum, grease and buildups off of concrete, masonry, asphalt and more. We also offer parking lot re-striping and graffiti removal.

What Makes Us Different?

We have over 15 years of experience, worry-free service, and a unique **"customer-ready finish out"**:

1. All gum off customer sidewalks
2. Squeegee/wipe down all splash up on windows
3. No debris for your clients to walk through
